

Design Lab 1: Look Before You Leave

Put Your Tools Away!

Turn off and return all tools and equipment to their original or labeled locations in the lab.

Recycle Your Supplies!

Recycle community supplies (supplies provided in the space) by putting them back.

Refresh the Space!

Leave the space cleaner than when you found it, straighten up your workspace for the next user.

Fetch Your Stuff!

Take your stuff with you or put it in prearranged storage when you leave the lab.

Thanks for coming to the lab!
