

Fab Underground: Keeping the Lab Awesome

Put Your Tools Away!

Turn off and return all tools and equipment to their original or labeled locations in the lab.

Recycle Your Supplies!

Recycle community supplies (supplies provided in the space) by putting them back.

Refresh the Space!

Leave the space cleaner than when you found it, straighten up your workspace for the next user.

Fetch Your Stuff!

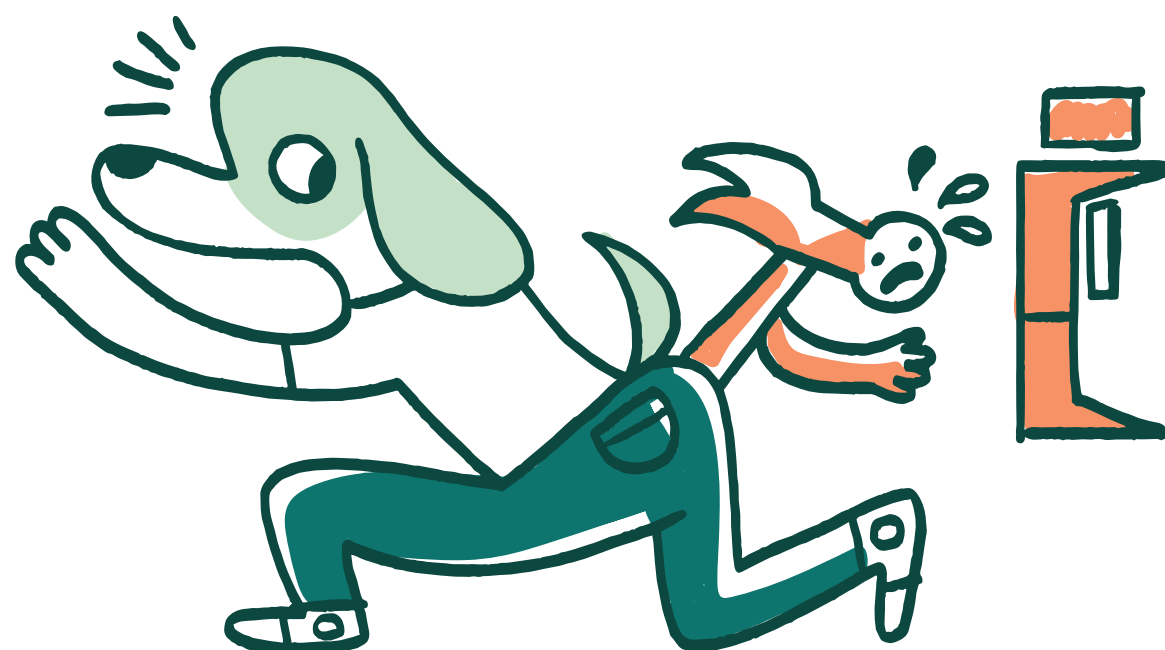

Take your stuff with you when you leave the lab. Anything left behind will be turned in at the Information Desk.

Keep Your Eye On Time!

The lab closes promptly at 6pm, start cleaning up at least 30 minutes before.

Tools Can't Leave Lab!

Feel free to use the tools in fab but we request that no tools leave the lab.

Thanks for coming to the lab!
